BASIC TAX INFORMATION FOR FAITH-BASED AND COMMUNITY GROUPS SEPTEMBER 22, 2009

We had a great turnout for our seminar. Jim Craddock opened the seminar, Christi Craddock emceed and Robin Jones with Faithlinks welcomed everyone. This was a first-time seminar for a lot of attendees so they were very appreciative of the one-on-one interaction between Norma Woodard and themselves.

We want to thank our sponsors for their participation and our women's ministry who came and helped with registration.
