### Community Emergency Response Team (CERT) Programs

Educates people about disaster preparedness and trains them in basic disaster response skills

### Medical Reserves Corps Program (MRC)

Strengthens communities by helping medical, public health and others offer their expertise in times of community need

### The Fire Corps

Promotes the use of citizen advocates to enhance the capacity of resource-constrained fire and rescue departments at all levels

### Volunteers in Police Service (VIPS)

Works to enhance the capacity of state and local law enforcement to utilize volunteers

### USAonWatch—Neighborhood Watch

Works to provide information, training and resources to citizens and law enforcement agencies throughout the country

## Mental Health First Aid

The Oklahoma Department of Mental Health and Substance Abuse Services have a new program called Mental Health First Aid that teaches community/faith leaders how to identify and appropriately respond to certain mental health disorders.
